Chief Judge Vaughn R. Walker

14 I, Michael B. Mukasey, hereby state and declare as follows pursuant to 28 U.S.C.

15 § 1746:

16 1. I am the Attorney General of the United States and have held this office since  
17 November 9, 2007. The purpose of this declaration is to make the certification authorized by  
18 Section 201 of Title II of the Foreign Intelligence Surveillance Act of 1978 Amendments Act of  
19 2008, Pub. L. No. 110-261 ("FISA Act of 2008" or "Act"), which establishes statutory  
20 protections for electronic communication service providers ("providers") in civil actions  
21 alleging that they have furnished assistance to an element of the intelligence community.  
22 Section 802 of Title VIII of the FISA, as amended, now provides that "a civil action may not lie  
23 or be maintained in a Federal or State court against any person for providing assistance to an  
24 element of the intelligence community, and shall be promptly dismissed, if the Attorney  
25 General certifies to the district court of the United States in which such action is pending" that  
26 either:

27 (1) any assistance by that person was provided pursuant to an order of the  
28 Foreign Intelligence Surveillance Court ("FISC" or "FISA Court") directing such  
assistance; or

(2) any assistance by that person was provided pursuant to a certification in  
writing under Sections 2511(2)(a)(ii)(B) or 2709(b) of Title 18; or

Public Certification of Michael B. Mukasey,  
Attorney General of the United States  
MDL No. 06-cv-1791-VRW

1 (3) any assistance by that person was provided pursuant to a directive or  
2 directives issued pursuant to the Protect America Act ("PAA") or the FISA Act of 2008;  
3 or

4 (4) in the case of a "covered civil action" (which is defined under the Act as  
5 an action alleging that a provider-defendant furnished assistance to an element of the  
6 intelligence community and seeks monetary or other relief from the provider related to  
7 that assistance, *see* 50 U.S.C. § 1885(5)) the assistance alleged to have been provided by  
8 the electronic communications service provider was—

9 (A) in connection with an intelligence activity involving communications  
10 that was—

11 (i) authorized by the President during the period  
12 beginning on September 11, 2001, and ending on January  
13 17, 2007; and

14 (ii) designed to detect or prevent a terrorist attack,  
15 or activities in preparation for a terrorist attack, against  
16 the United States; and

17 (B) the subject of a written request or directive, or a series of  
18 written requests or directives, from the Attorney General or the head of  
19 an element of the intelligence community (or the deputy of such person)  
20 to the [provider] indicating that the activity was

21 (i) authorized by the President; and

22 (ii) determined to be lawful; or

23 (5) the person did not provide the alleged assistance.

24 *See* 50 U.S.C. § 1885a(a)(1)-(5). "Assistance" is defined to mean "the provision of, or the  
25 provision of access to, information (including communication contents, communication  
26 records, or other information relating to a customer or communication), facilities, or another  
27 form of assistance." *See* 50 U.S.C. § 1885(1).

28 2. As set forth below, and as described in more detail in my accompanying classified  
certification, I hereby certify that the claims asserted in the civil actions pending in these  
consolidated proceedings brought against electronic communication service providers fall  
within at least one provision contained in Section 802(a) of the FISA. In addition, as also set  
forth below and in my accompanying classified certification, I have concluded that disclosure of  
my classified certification, including the basis for my certification as to particular provider-  
defendants, would cause exceptional harm to the national security of the United States and,  
pursuant to Section 802(c)(1) of the FISA, must therefore be reviewed *in camera*, *ex parte* by

the Court. *See* 50 U.S.C. § 1885a(c)(1).

1           3. The statements made herein and in my classified certification are based on my  
2 personal knowledge and information made available to me in the course of my official duties,  
3 including the information set forth below and in my classified certification and any  
4 “supplemental materials” that may accompany my classified certification as defined in Section  
5 802(b)(2) of the FISA, *see* 50 U.S.C. § 1885a(b)(2). I have also met with officials of the  
6 National Security Agency (“NSA”) to discuss this matter, and during these meetings I have  
7 confirmed with these NSA officials that the statements herein and in my classified certification  
8 are true and accurate and have been verified with the NSA. In addition, I have reviewed the  
9 classified declarations submitted for *in camera, ex parte* review by the Director of National  
10 Intelligence (“DNI”) and the Director of the NSA in *Hepting et al. v. AT&T et al.* (06-cv-  
11 00672-VRW) (hereafter the *Hepting* action) and in the actions brought against the *MCI/Verizon*  
12 Defendants (MDL 06-cv-1791-VRW) (hereafter the *MCI/Verizon* actions). I have also  
13 reviewed the Court’s decision in the *Hepting* action, which denied motions to dismiss brought  
14 by the United States and the AT&T Defendants in that case. *See Hepting et al. v. AT&T et al.*,  
15 439 F. Supp. 2d 974 (N.D. Cal. 2006). I have also reviewed the First Amended Complaint in  
16 the *Hepting* action (hereafter “*Hepting* FAC”) and the consolidated complaints against the:  
17 (i) *MCI/Verizon* Defendants (Dkt. 125); (ii) *Sprint/Nextel* Defendants (Dkt. 124); (iii) *BellSouth*  
18 Defendants (Dkt. 126) and *AT&T Mobility/Cingular Wireless* Defendants (Dkt. 455) (hereafter  
19 the “*Verizon*,” “*Sprint*,” “*BellSouth*,” and “*Cingular*” Complaints).<sup>1</sup>

20  
21 <sup>1</sup> ***Dismissed Defendants:*** I am advised that all of the provider-defendants in a fifth  
22 consolidated master complaint (Dkt. 123) have now been dismissed by stipulation and,  
23 accordingly, I need not provide a certification as to these defendants (T-Mobile, Comcast  
24 Telecommunications, McLeod USA Telecommunications Services, and Transworld Network  
25 Corp.). *See* Dkts. 162, 164, 184, 185. In addition, a number of Verizon entities have been  
26 dismissed by stipulation and, therefore, I need not provide a certification as to these entities.

## I. Summary of Allegations

4. The allegations raised in these consolidated proceedings against the provider-defendants are substantially similar to the allegations first raised in the *Hepting* action against AT&T Defendants. *See Hepting*, 439 F. Supp. 2d at 996 (summarizing allegations). First, plaintiffs allege that, following the terrorist attacks of September 11, 2001, the provider-defendants assisted the NSA in dragnet collection of the content of “millions of communications made or received by people inside the United States” for the purpose of analyzing those communications through key word searches to obtain information about possible terrorist attacks. *See Hepting* FAC ¶ 39; *Verizon* Compl. ¶ 165; *BellSouth* Compl. ¶ 64; *Cingular* Compl. ¶ 53; *Sprint* Compl. ¶ 44. Second, plaintiffs also allege that the provider-defendants assisted the NSA by divulging to the NSA records concerning the plaintiffs’ telephone and electronic communications or by providing the NSA with access to databases containing such records. *See Hepting* FAC ¶¶ 51-63; *Verizon* Compl. ¶¶ 168-71, 174-75; *Sprint* Compl. ¶¶ 48-50, 53-54; *BellSouth* Compl. ¶¶ 68-70, 73-74; *Cingular* Compl. ¶¶ 57-59, 62-63. Plaintiffs allege that the foregoing assistance and activities were undertaken without judicial authorization and in violation of federal statutory provisions and the First and Fourth Amendments to the Constitution (as well as various state law and constitutional provisions). *See Hepting* FAC ¶¶ 2, 81, 83, 90-149; *Verizon* Compl. ¶¶ 177, 201-89; *Sprint* Compl. ¶¶ 56, 72-141; *BellSouth* Compl. ¶¶ 76, 101-216; *Cingular* Compl. ¶¶ 65, 90-321. In sum, plaintiffs allege that the provider-defendants furnished “assistance” (as defined in Section 801(1) of the FISA) to the Government in form of: (1) the alleged content-dragnet; and (2) the alleged collection of records about telephone and electronic communications.

## II. Summary of Certification

5. As set forth below, this public certification addresses the allegations raised by the plaintiffs that the provider-defendants assisted the Government with respect to: (i) the alleged content-dragnet; and (ii) to the extent it may be at issue, the interception of content under the Terrorist Surveillance Program; and (iii) the alleged provision of communication records.

### A. Content Surveillance Allegations

#### 1. Content-Dragnet Allegations

6. First, the plaintiffs have alleged a content surveillance program of “far greater scope” than the post-9/11 program confirmed by the President—called the “Terrorist Surveillance Program” (“TSP”)—in which the President authorized the NSA to intercept certain “one-end” international communications to or from the United States that the Government reasonably believed involved a member or agent of al Qaeda or affiliated terrorist organization. *See Hepting*, 439 F. Supp. 2d at 994. While confirming the existence of the TSP, the Government has denied the existence of the alleged dragnet collection on the content of plaintiffs’ communications. *See id.* at 996; *see also* Public Declaration of Lt. Gen. Keith Alexander, Director of the National Security Agency, in the *Verizon/MCI* Actions (Dkt. 254) ¶ 17. As set forth below and in my classified certification, specific information demonstrating that the alleged content dragnet has not occurred cannot be disclosed on the public record without causing exceptional harm to national security. However, because there was no such alleged content-dragnet, no provider participated in that alleged activity. Each of the provider-defendants is therefore entitled to statutory protection with respect to claims based on this allegation pursuant to Section 802(a)(5) of the FISA, *see* 50 U.S.C. § 1885a(a)(5).

#### 2. Terrorist Surveillance Program

7. Second, while the plaintiffs do not appear to challenge the provider-defendants’ alleged assistance to the NSA in the conduct of the publicly acknowledged TSP, my certification nonetheless also encompasses whether or not any provider-defendant assisted the NSA with that activity. Specifically, I certify with respect to any assistance with the TSP that

the provider-defendants are entitled to statutory protection based on at least one of the provisions contained in Section 802(a)(1) to (5) of the FISA, which includes the possibility that a provider defendant did not provide any assistance. *See* 50 U.S.C. § 1885a(a)(1)-(5). As set forth below and in my classified certification, disclosure of the basis for my certification with respect to any alleged assistance furnished by particular provider-defendants under the TSP would cause exceptional harm to national security and is therefore encompassed within my classified certification submitted for *ex parte*, *in camera* review pursuant to Section 802(c)(1) of the FISA, 50 U.S.C. § 1885a(c)(1).

### **B. Communication Records Allegations**

8. Third, my certification also encompasses whether or not any provider defendant assisted the NSA through the provision of records concerning telephone and electronic communications. In particular, I certify that the provider-defendants are entitled to statutory protection based on at least one of the provisions contained in Section 802(a)(1) to (5) of the FISA, which includes the possibility that a provider defendant did not provide any assistance. *See* 50 U.S.C. § 1885a(a)(1)-(5). As set forth below, disclosure of the basis for my certification with respect to any alleged assistance furnished by particular provider-defendants to the NSA concerning the communication records allegations would cause exceptional harm to national security and is therefore encompassed within my classified certification submitted for *ex parte*, *in camera* review pursuant to Section 802(c)(1) of the FISA, 50 U.S.C. § 1885a(c)(1).

### **III. Harm to National Security From Disclosure of Classified Certification.**

9. Section 802(c)(1) of the FISA, as amended, provides that if the Attorney General attests in a declaration that disclosure of a certification under Section 802 of the Act, or any supplemental materials submitted therewith (if any), would harm the national security of the United States, the Court shall review the certification *ex parte*, and *in camera*. *See* 50 U.S.C. § 1885a(c)(1). I hereby make the declaration required by this provision with respect to the contents of my classified certification. In sum, I have determined that disclosure of my classified certification, including the basis of my certification for particular provider

defendants, would cause exceptional harm to the national security of the United States. I  
1 concur with the judgment of the Director of National Intelligence and the Director of the NSA  
2 previously set forth for the Court in their classified declarations (referenced above), as well as  
3 with the conclusion of the Senate Select Committee on Intelligence, that disclosure of the  
4 identities of persons alleged to have provided assistance to the Government on intelligence  
5 matters, as well as disclosure of activities in which the Government is alleged to have been  
6 engaged, and the details of such activities, are properly protected as intelligence sources and  
7 methods. *See* S. Rep. No. 110-209, at 10 (2007), Report of the Senate Select Committee on  
8 Intelligence to accompany S. 2248, Foreign Intelligence Surveillance Act of 1978 Amendments  
9 of 2007. (Exhibit No. 1 to United States' Motion to Dismiss or for Summary Judgment).

10 **Conclusion**

11 10. For the foregoing reasons, and those set forth in my classified certification, pursuant  
12 to Section 802(a) of the FISA, I hereby certify that the claims asserted in the civil actions  
13 pending in these consolidated proceedings against the electronic communication service  
14 provider-defendants fall within at least one provision contained in Section 802(a)(1)-(5) of the  
15 FISA that would entitle these defendants to statutory protection from the pending civil actions.  
16 *See* 50 U.S.C. § 1885a(a)(1)-(5). In addition, pursuant to Section 802(c)(1) of the FISA, I have  
17 concluded that disclosure of my classified certification, including the basis for the certification  
18 as to particular provider-defendants, would cause exceptional harm to national security for the  
19 reasons set forth in that certification and must therefore be reviewed *in camera*, *ex parte* by the  
20 Court. *See* 50 U.S.C. § 1885a(c)(1).

21 I declare under penalty of perjury that the foregoing is true and correct.
